

Block a Month

Kathy Clarke and
Paula Jaster

Block theme for the year: Stars

Block for August: Spinning Star

Block for September: Starstruck

The final step to our "make your own block a month" is to add a final sashing strip between each block that consists of a 16 1/2" by 2 1/2" strip of background fabric. When connecting the rows together, add the same strip with a 2 1/2" cornerstone using any of your star fabrics. Finally, add a border of your choosing. I like to add a border of background fabric as a first border to make the stars "float". Call me if you need more instructions . . . Kathy
Please bring your finished quilt top to the November meeting.
